⁽¹⁾ Data as of January 29, 2019 is not available, January 31, 2019 data used as Petition Date.

⁽²⁾ In the ordinary course, in most instances the Debtors' process for validating items for payment to suppliers requires the matching of a vendor invoice with a purchase order and, additionally, with a goods receipt (reflecting the Debtors' acknowledgment of the delivery of goods or completion of services). That matching process extends the timeline for a vendor invoice to be cleared for payment until such time as the validation operation is fully complete. The Debtors are actively engaged on an ongoing basis with their supplier base to minimize the invoice matching and validation time frame. To the best of the Debtors' knowledge, in all instances where the invoice matching process has been satisfactorily completed for post-petition vendor activity, the Debtors do not have any past due post-petition accounts payable as of March 31, 2020.

At the end of this reporting month:

	<u>Yes</u>	<u>No</u>

9. Have any payments been made to professionals? (if yes, attach listing including date of payment, amount of payment and name of payee)	<u>✓</u>	<u></u>
10. If the answer is yes to 8 or 9, were all such payments approved by the court?	<u>✓</u>	<u></u>
11. Have any payments been made to officers, insiders, shareholders, relatives? (if yes, attach listing including date of payment, amount and reason for payment, and name of payee)	<u>✓</u>	<u></u>
12. Are the estates insured for replacement cost of assets and for general liability?	<u>✓</u>	<u></u>
13. Are a plan and disclosure statement on file? ⁽¹⁾	<u>✓</u>	<u></u>
14. Was there any post-petition borrowing during this reporting period?	<u></u>	<u>✓</u>

U.S. Trustee Quarterly Fees:	<u>✓</u>
Tax reporting and tax returns:	<u>✓</u>

(Attach explanation, if post-petition taxes or U.S. Trustee Quarterly Fees are not paid current or if post-petition tax reporting and tax return filings are not current.)

⁽¹⁾ The Debtors filed with the Bankruptcy Court their Joint Chapter 11 Plan of Reorganization on September 9, 2019. The Debtors thereafter amended such plan on September 23, 2019 (Docket #3966), and November 4, 2019 (Docket #4563). On December 12, 2019, the Debtors and Shareholder Proponents (as defined in the Plan) filed the Debtors' and Shareholders Proponents' Joint Chapter 11 Plan of Reorganization with the Bankruptcy Court, which was thereafter amended on January 31, 2020 (Docket #5590), March 9, 2020 (Docket#6217), and March 16, 2020 (Docket # 6320) (the "the Plan"). On February 7, 2020, the Debtors filed a disclosure statement (Docket #5700), which was thereafter amended on March 9, 2020 (Docket#6219), March 16, 2020 (Docket # 6322), and March 17, 2020 (Docket #6353) (the " Disclosure Statement"). The Disclosure Statement was approved by the Bankruptcy Court by Order dated March 17, 2020 (Docket #6340).

I declare under penalty of perjury I have reviewed the above summary and attached financial statements, and after making reasonable inquiry believe these documents are correct.

1. BASIS OF PRESENTATION

General

On January 29, 2019, PG&E Corporation (the “Corporation”) and its subsidiary, Pacific Gas and Electric Company (the “Utility”) (together with the Corporation, the “Debtors”), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the U.S. Bankruptcy Court for the Northern District of California (the “Bankruptcy Court”). The Debtors’ Chapter 11 cases are being jointly administered under the caption *In re: PG&E Corporation and Pacific Gas and Electric Company*, Case No. 19-30088 (DM) (the “Chapter 11 Cases”). The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in either of the Chapter 11 Cases.

On February 12, 2019, the United States Trustee (the “U.S. Trustee”) appointed an Official Committee of Unsecured Creditors (the “UCC”). On February 15, 2019, the U.S. Trustee appointed an Official Committee of Tort Claimants (the “TCC”).

Debtor-in-Possession Financial Statements

Financial Accounting Standards Board Accounting Standards Codification 852 (Reorganizations) (“ASC 852”), which is applicable to companies in Chapter 11, requires that financial statements for periods after the filing of a Chapter 11 petition distinguish transactions and events that are directly associated with the reorganization from the ongoing operations of the business. The financial statements have been prepared in accordance with ASC 852. The accompanying financial statements have been prepared solely for purposes of complying with the monthly operating requirements applicable in the Debtors’ Chapter 11 Cases (the “Monthly Operating Reports”). The Debtors caution investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Reports, which was not prepared for the purpose of providing the basis for an investment decision relating to any securities of the Debtors.

The financial information contained in the Monthly Operating Reports is unaudited, limited in scope, and as such, has not been subject to procedures that would typically be applied to financial statements in accordance with accounting principles generally accepted in the United States of America. The Monthly Operating Reports should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of the Corporation and the Utility and any of their non-debtor subsidiaries, as the results of operations contained in the Monthly Operating Reports are not necessarily indicative of results which may be expected for any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. These unaudited financial statements were prepared using certain assumptions and estimates. These assumptions and estimates are subject to revision. Further, the amounts shown in this statement may differ materially due to adjustments in accruals, changes in facts and circumstances, changes in estimates, further analysis, and other factors.

The Utility’s unaudited financial statements reflected under the column “Pacific Gas and Electric Company” are presented on a consolidated basis and include the accounts of the Utility and the following subsidiaries of the Utility that individually and in aggregate are immaterial: Eureka Energy Company, Midway Power, LLC, Pacific Energy Fuels Company, and Standard Pacific Gas Line Incorporated.

The Corporation’s unaudited financial statements reflected under the column “PG&E Corporation” are presented on a consolidated basis and include the accounts of the following subsidiaries of the Corporation that individually and in aggregate are immaterial: PCG Capital, Inc., PG&E Corporation Support Services, Inc., and PG&E Corporation Support Services II, Inc. The Corporation’s unaudited financial statements reflected under the column “PG&E Corporation” exclude the accounts of the Utility.

The Corporation’s unaudited financial statements reflected under the column “PG&E Corporation, Consolidated” are presented on a consolidated basis and include the accounts of the Corporation, the Utility, and other wholly owned and controlled subsidiaries.

These unaudited financial statements differ from the requirements of generally accepted accounting principles in that they exclude certain financial statements (statements of cash flows, shareholders’ equity, and other comprehensive income), relevant footnotes and certain reclassifications.

Liabilities Subject to Compromise

As a result of the Chapter 11 Cases, the payment of pre-petition indebtedness is subject to compromise or other treatment under a plan of reorganization. The determination of how liabilities will ultimately be settled or treated cannot be made until the Bankruptcy Court confirms a Chapter 11 plan of reorganization and such plan becomes effective. Accordingly, the ultimate amount of such liabilities is not determinable at this time. ASC 852 requires pre-petition liabilities that are subject to compromise to be reported at the amounts expected to be allowed, even if they may be settled for lesser amounts. The amounts currently classified as liabilities subject to compromise are preliminary and may be subject to future adjustments depending on the Bankruptcy Court actions, further developments with respect to disputed claims, determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation or other events.

Reorganization Items

ASC 852 requires expenses and income directly associated with the Chapter 11 Cases to be reported separately in the income statement. Reorganization items are reported net and include expenses related to legal advisory and representation services, other professional consulting and advisory services, debtor-in-possession financing fees and changes in liabilities subject to compromise recognized as there are changes in amounts expected to be allowed, net of interest income.

Post-Petition Liabilities

Post-petition liabilities reflected in the Monthly Operating Report include Accounts payable – trade creditors, Accounts payable – other, and Other current liabilities, excluding amounts pertaining to regulatory liabilities.

2. CHAPTER 11 FILING

On January 29, 2019, the Debtors filed the Chapter 11 Cases with the Bankruptcy Court. The Debtors continue to operate their businesses as debtors in possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

On January 31, 2019, the Bankruptcy Court approved, on an interim basis, certain motions (the “First Day Motions”) authorizing, but not directing, the Debtors to, among other things, (a) secure \$5.5 billion of debtor-in-possession financing; (b) continue to use and the Debtors’ cash management system; and (c) pay certain pre-petition claims relating to (i) certain safety, reliability, outage, and nuclear facility suppliers; (ii) shippers, warehousemen, and other lien claimants; (iii) taxes; (iv) employee wages, salaries, and other compensation and benefits; and (v) customer programs, including public purpose programs. The First Day Motions were subsequently approved by the Bankruptcy Court on a final basis at hearings on February 27, 2019, March 12, 2019, March 13, 2019, and March 27, 2019.

On July 1, 2019, the Bankruptcy Court entered an order approving a deadline of October 21, 2019, at 5:00 p.m. (Pacific Time) (the “Bar Date”) for filing claims against the Debtors relating to the period prior to the Petition Date. The Bar Date is subject to certain exceptions, including for claims arising under section 503(b)(9) of the Bankruptcy Code, the bar date for which occurred on April 22, 2019. The Bankruptcy Court also approved the Debtors’ plan to provide notice of the Bar Date to parties in interest, including potential wildfire-related claimants and other potential creditors. On November 11, 2019, the Bankruptcy Court entered an order [Docket No. 4672] approving a stipulation between the Debtors and the TCC to extend the Bar Date for unfiled, non-governmental fire claimants to December 31, 2019, at 5:00 p.m. (Pacific Time). On February 27, 2020, the Bankruptcy Court entered an order [Docket No. 5943] extended the Bar Date through and included midnight (Pacific Time) on April 16, 2020 for certain individuals and entities that purchased or acquired the Debtors’ publicly traded debt and equity securities during the period from April 29, 2015 through November 15, 2018, inclusive, and who may have claims under the securities laws against the Debtors for rescission or damages.

On June 18, 2019, the Debtors entered into Plan Support Agreements with certain local public entities providing for an aggregate of \$1.0 billion to be paid by the Debtors to such public entities pursuant to the Debtors' Chapter 11 plan of reorganization in order to settle such public entities' claims against the Debtors relating to the 2018 Camp fire, the 2017 Northern California wildfires and the 2015 Butte fire (collectively, "Public Entity Wildfire Claims"). The Debtors have entered into a Plan Support Agreement with each of the following public entities or group of public entities, as applicable: (i) the City of Clearlake, the City of Napa, the City of Santa Rosa, the County of Lake, the Lake County Sanitation District, the County of Mendocino, Napa County, the County of Nevada, the County of Sonoma, the Sonoma County Agricultural Preservation and Open Space District, the Sonoma County Community Development Commission, the Sonoma County Water Agency, the Sonoma Valley County Sanitation District and the County of Yuba; (ii) the Town of Paradise; (iii) the County of Butte; (iv) the Paradise Recreation & Park District; (v) the County of Yuba; and (vi) the Calaveras County Water District.

On September 22, 2019, the Debtors entered into a Restructuring Support Agreement with certain holders of insurance subrogation claims (collectively, the "Consenting Subrogation Creditors") which agreement was amended and restated on November 1, 2019 and subsequently amended further during November and December 2019 (as amended, the "Subrogation RSA"). The Subrogation RSA provides for an aggregate amount of \$11.0 billion to be paid by the Debtors pursuant to the Plan in order to settle all insurance subrogation claims (the "Subrogation Claims") relating to the 2017 Northern California wildfires and the 2018 Camp fire, upon the terms and conditions set forth in the Subrogation RSA. Under the Subrogation RSA, the Debtors also have agreed to reimburse the holders of Subrogation Claims for professional fees of up to \$55 million, upon the terms and conditions set forth in the Subrogation RSA. On December 19, 2019, the Bankruptcy Court entered an order granting the Debtors' motion to approving the Subrogation RSA.

On December 6, 2019, the Debtors entered into a Restructuring Support Agreement, which was subsequently amended on December 16, 2019 (as amended, the "TCC RSA"), with the TCC, the attorneys and other advisors and agents for holders of Fire Victim Claims (as defined below) that are signatories to the TCC RSA (each a "Consenting Fire Claimant Professional"), and the Shareholder Proponents. The TCC RSA provides for, among other things, an aggregate of \$13.5 billion in value to be provided by the Debtors pursuant to the Plan in order to settle and discharge all claims against the Debtors relating to the 2015 Butte fire, the 2017 Northern California wildfires and the 2018 Camp fire (other than the Subrogation Claims and the Public Entity Wildfire Claims) (the "Fire Victim Claims"), upon the terms and conditions set forth in the TCC RSA and the Plan. On December 19, 2019, the Bankruptcy Court entered an order approving the TCC RSA.

On January 22, 2020, the Debtors entered into a Restructuring Support Agreement (the "Noteholder RSA") with certain holders of senior unsecured debt of the Utility that are identified in the Noteholder RSA as "Consenting Noteholders" and the Shareholder Proponents. The Noteholder RSA provides for, among other things, (i) the refinancing of the Utility's senior unsecured debt in satisfaction of all claims arising out of the currently outstanding Utility notes maturing through 2022 in an aggregate principal amount of \$1.75 billion (the "Utility Short-Term Senior Notes"), the long-term Utility notes bearing an interest rate greater than 5% of which there is an aggregate principal amount outstanding of \$6.2 billion (the "Utility Long-Term Senior Notes") and the Utility's pre-petition credit facilities and certain series of Pollution Control bonds (collectively, the "Utility Funded Debt"), and (ii) the reinstatement of the remaining outstanding \$9.58 billion aggregate principal amount of the Utility notes (the "Utility Reinstated Senior Notes"), in each case pursuant to the Plan and upon the terms and conditions set forth in the Noteholder RSA. Under the Noteholder RSA, the Debtors have also agreed to reimburse the holders of Utility Long-Term Senior Notes for debt placement fees and the members of the Ad Hoc Noteholder Committee for professional fees of up to \$99 million upon the terms and conditions set forth in the Noteholder RSA. On February 5, 2020, the Bankruptcy Court entered an order approving the Noteholder RSA.

On February 7, 2020, pursuant to section 1125 of the Bankruptcy Code, the Debtors filed the Disclosure Statement, which was thereafter amended on March 9, 2020 [Docket No. 6219], March 16, 2020 [Docket No. 6322], and March 17, 2020 [Docket No. 6353]. On March 17, 2020, the Bankruptcy Court approved the Disclosure Statement. A hearing to consider confirmation of the Plan is scheduled for May 27, 2020.

On March 16, 2020, the Bankruptcy Court approved the Debtors' Amended and Restated Backstop Commitment Letters (as amended through March 6, 2020), which provide for aggregate commitments of \$12 billion, and the Debtors' bridge facility commitment letters (as amended through February 28, 2020), which provide for aggregate commitments of \$10.825 billion. Such commitment letters are subject to numerous terms and conditions as further described in the Debtors' Second Amended Motion to approve such commitment letters. As of March 31, 2020, PG&E Corporation expects to record approximately \$1 billion of expense related to the Backstop Commitment premium in Reorganization items, net for the year ended December 31, 2020. The total annual expense will be determined based on the price of PG&E Corporation's common stock as of the Effective Date.

On March 20, 2020, the Debtors filed a motion with the Bankruptcy Court for entry of an order approving a case resolution contingency process to address the circumstance in which the Plan is not confirmed or fails to go effective in accordance with certain required dates (the “Case Resolution Contingency Process”). As further described in the motion, the Case Resolution Contingency Process contemplates a process for the sale of PG&E Corporation or the Utility in the event that the Plan is not confirmed or fails to go effective in accordance with certain required dates. In addition, the motion sets forth certain other commitments by the Debtors in connection with the confirmation process and implementation of the Plan, including among other things, limitations on the ability of PG&E Corporation to pay dividends; commitments by the Utility with respect to cost recovery of amounts paid in respect of “Fire Claims” under the Plan; the terms of a purchase option in favor of the state of California (which would be exercisable only in limited circumstances); and commitments with respect to the Utility’s utilization of wildfire-related net operating losses. Also on March 20, 2020, California Governor filed a responsive pleading in the Bankruptcy Court stating that, assuming the Bankruptcy Court grants the Motion and the California Public Utilities Commission (“CPUC”) approves the Plan with the governance, financial and operational provisions submitted to the CPUC by the Utility or otherwise agreed by the Utility, with any modifications the CPUC believes appropriate or necessary, the Plan “will, in the Governor’s judgment, be compliant with AB 1054.” The Governor’s pleading also states that “a rate neutral securitization pursuant to Senate Bill 901...would, in [the Governor’s] judgment, be in the public interest...” Following a hearing held on April 7, 2020, the Bankruptcy Court indicated that it would approve the Debtors’ motion and the Case Resolution Contingency Process, subject to certain reservations of rights, and directed the Debtors to submit an order to that effect. The Bankruptcy Court entered the order approving the motion on April 9, 2020.

5. ACCOUNTS PAYABLE

To the best of the Debtors’ knowledge, all undisputed, validated post-petition accounts payable have been and are being paid under agreed-upon payment terms.

In the ordinary course, in most instances the Debtors' process for validating items for payment to suppliers requires the matching of a vendor invoice with a purchase order and, additionally, with a goods receipt (reflecting the Debtors' acknowledgment of the delivery of goods or completion of services). That matching process extends the timeline for a vendor invoice to be cleared for payment until such time as the validation operation is fully complete. The Debtors are actively engaged on an ongoing basis with its supplier base to minimize the invoice matching and validation time frame. To the best of the Debtors' knowledge, in all instances where the invoice matching process has been satisfactorily completed for post-petition vendor activity, the Debtors do not have any past due post-petition accounts payable as of March 31, 2020.
